Dear Industry Colleagues,

The North American Robotic Urology Society originated in 2017, bringing together world-renowned surgeons from across the United States for an unprecedented educational program in urology. Now in its 11th year, surgeons from both community practice and academic institutions will share their expertise in prostate, kidney, bladder/reconstruction, and pediatric procedures through live surgery sessions, keynote lectures and panel discussions.

Industry Partners and technical exhibits are an important part of our meeting's success and our 350 plus robotic surgeons will be looking forward to seeing you. We invite your support and participation in the 11th Annual NARUS event to be held at the Paris Las Vegas on January 28-30, 2027 in Las Vegas, Nevada.

We will have limited support positions available and they will be secured on a first come, first served basis.

If you would like to support this program or have additional questions, please contact Tyler Gillespie at tgillespie@veritasamc.com.

Don't miss the North American Robotic Surgery event of the year!

Sincerely,

Tyler Gillespie

North American Robotic Urology Society

PARTNERSHIP OPPORTUNITIES

MAXIMIZE YOUR IMPACT THROUGH SPONSORSHIP. The North American Robotic Urology Society (NARUS) offers industry sponsors an opportunity to reach clinicians on the latest urological techniques and products. The focused meeting environment is ideal for businesses dedicated to delivering products and services that support these conditions. This forum will allow you to interact with clinician's eager to learn about new technologies and innovations that aim to improve patient care. Corporate functions may not be held concurrently with official Society/congress' scientific or social functions. Any function, regardless of size and location, must be approved by the course's industry relations department.
